

*Why should I sign-up for the Saturday, April 27 Workshop (9 am- noon)?*

Inspiration

Instruction

Implementation

As a baptized follower of Jesus, in this workshop time you will create a “self-identified plan” to *put into daily practice* your faith in God. This will lead to personal, continuing transformation and growth (and contribute to the revitalization of our community of people associated with Eastern Heights & Open Arms.)

How can I put my faith and trust in Jesus into action?

How do I share my story with others?

How do I see God working in my community?
